5 H. ii.) Coal Preparation Plant Areas and Coal Preparation Plant Associated Areas (excluding coal refuse piles).

It was noticed when reviewing the narrative for 5G. that a key phrase was left out of AEC's table for 5Hii. The phrase the can be found above highlighted in red. When this phrase is applied to the 5Hii response it excludes ponds Pond 013, Pond 014, and Pond 015. Attached is an updated table with updates corrections.
